

On November 21<sup>st</sup>, the Middle School and High School conducted service projects around the school and in the Fayetteville Community.

Mr. Woosley guided the Middle School decorated and cleaned the Middle School and Elementary buildings.

The High School divided into teams and headed into the community. Pastor Sean took boys, taught them to use his H&H Lawn Care equipment, and then him, Mr. Knox, Mr. Meyers, Mr. Christensen, and four three teams headed out to provide needed yard work for members of the Berean family.

Mr. May and Mr. Aubuchon supervised two teams whose purpose was to become the hands of Christ. The teams worked with Operation Blessing and Second Harvest Foodbank to assist those organizations with providing relief for families in need.

Mrs. McManus and Mr. Ra took students to visit with children and the elderly. Mrs. McManus' team went to Falcon Christian Home to minister to children, while Mr. Ra's band and orchestra students went to Autumn Care Assisted Living to minister in music.

Miss Stiles and many of our girls provided childcare for our mothers whose husbands are deployed, so that they could get things ready for Thanksgiving.

No matter where they served all enjoyed living up to Berean's goal to develop Servant Leaders.

**We Are Called! We Are Committed! We Are Christian! We Are Berean Baptist Academy**
